

Shillong Whitewater Village
Kayak Rental and Instruction Rates
(current for December 2019)

Meghalaya Rivers are of such a nature that cracks, dents, abrasions and deep cuts in the plastic, or the loss of the boat altogether, is of a higher probability than in many other regions. Considering this, our rental rates are as follows:

One day only rental on the Umtrew: Rs 2000 per day
One week or less on all rivers: Rs 1000 per day.
More than one week on all rivers: Rs 800 per day.

The security deposit is the market value of the boat, between 30 – 50k.

If cracked, 50 % of the security deposit will be retained by us. Kayaks which have been previously repaired will not be charged if the repaired area breaks. If a repaired kayak gets a new crack then the charge will be 20%. Large dents will result in a 30% charge. Small dents, under 2 inches across, no charge. If irreparably damaged or lost, the full security deposit retained by us.
